Mr. John Chiu, Honorary Chairman (Life), Hong Kong Wireless Technology Industry Association (WTIA)

### **About Hong Kong Wireless Technology Industry Association [www.hkwtia.org](http://www.hkwtia.org)**

WTIA, established in 2001, is a not-for profit, politically-neutral trade association dedicated to the wireless and mobile industry.

The Association acts as a platform, an aggregator, and community for industry professionals to learn and drive emerging wireless and mobile technologies, governance, and standards. It facilitates networking between like-minded professionals, boost interoperability between networks and devices, and strives to help all organizations apply these technologies to existing or new businesses

WTIA also represents and is supported by digital industries pertaining to mobile such as digital entertainment, digital marketing & media, and start-up sectors.

### **About GS1 Hong Kong [www.gs1hk.org](http://www.gs1hk.org)**

Founded by the Hong Kong General Chamber of Commerce in 1989, GS1 Hong Kong is the local chapter of GS1®, a not-for-profit, global supply chain standards organisation headquartered in Brussels, Belgium, with over 110 national chapters in 150 countries.

GS1 Hong Kong's mission is to enable Hong Kong enterprises to have more efficient, visible and safer supply chains through the provision of global standards and a full spectrum of standards-based solutions and services, thus making possible business optimization and value creation. It engages with communities of trading partners, industry organizations, governments, and technology providers to understand and respond to their business needs through the adoption and implementation of global standards.

GS1 Hong Kong currently has more than 7,000 corporate members covering close to 20 industries including retail consumer goods, food, wine, healthcare, apparel, consumer electronics, logistics and information technology.
