Co-Founder & the Client Services Director of Dragon Law

Chris is the Client Services Director and Head of Legal at Dragon Law, Asia's trusted platform to manage law online. His experience as a litigator, with a passion and talent for client services, has led him to train, consult for, and help people on all aspects of law.

Before moving eastward to redefine the way businesses think about law, Chris was Director of Training for the Spanish branch of Lawyers Without Ties, consulting and training Law firms in Spain. An English-qualified lawyer and litigator with 8 years' experience in complex white collar criminal litigation in the UK, Chris has a BA (Hons) in Politics from The University of Liverpool and a Graduate Diploma in Law and Legal Practice from MMU School of Law.

About Dragon Law

Dragon Law enables fast production of customised documentation.

Answer a few simple questions on our document builder to generate highly-customised contracts that address your specific business needs. We give you the know-how and confidence to create even the most complex legal documents from start to finish.

Dragon Law is trusted by 5,000 small and medium businesses, in-house counsels, lawyers and business advisors, and growing 20% month-on-month.

Access our large library of ready-to use documents or automate your frequently used documents. [START A NO-OBLIGATION FREE TRIAL](#) and experience the benefits of managing law online.
